Transferring \$1,400,000 in federal fund expenditure authority from South Dakota Public Broadcasting (SDPB) to other fund expenditure authority in SDPB (\$1,000,000), Development (\$350,000), and BIT Administration (\$50,000). This is a one-time transfer from operating expenses to operating expenses. Funds are available due to receiving fewer federal grants than originally anticipated. Funds will be used to purchase capital assets for SDPB, cover overlapping software lease agreements while software is being converted, and to fill a shortfall in Administration operating expenses.
